City of Santa Monica – Deposit Deferral Guidelines and Application

GUIDELINES

In accordance with California Vehicle Code (CVC) section 40215(b):

The person requesting an administrative hearing shall deposit the amount of the parking penalty with the processing agency. The issuing agency shall adopt a written procedure to allow a person to request an administrative hearing without payment of the parking penalty upon satisfactory proof of an inability to pay the amount due.

The purpose of this request is to defer payment of the parking citation fines pending the results of the administrative hearing. This does not cancel your fines. Inability to pay does not invalidate the citation. If you are found liable at the hearing, you will be responsible for paying the citation in full.

If you are found liable for this parking citation you must make full payment within **thirty days** of the date of the letter stating that you have been found liable.

If your citation is delinquent and has accrued a penalty, you are not eligible to apply for the deposit deferral. The total amount due, including penalties, must be paid in full immediately.
